**HABER SLADE SENIOR ASSOCIATE LAUREN FALICK ADDRESSES THE
FLORIDA ASSOCIATION OF INSURANCE AGENTS ANNUAL CONVENTION**

MIAMI (June 27, 2016) – Haber Slade Senior Associate Lauren Fallick served as a panelist at the annual convention of the Florida Association of Insurance Agents (FAIA) held recently in Orlando. The topic: Insurance agent liability.

Fallick took part in the “E&O 2016: Expert Commentary” session where she addressed insurance agents from the perspective of counsel for an insured or putative insured with respect to claims against insurance agents, including insurance agent liability for failure to procure requested, necessary, and/or adequate insurance coverage, liability in the post-loss context, and liability for failure to disclose material information.

“This class was tailored to provide agents E&O claims prevention guidance,” said Fallick. “I sat on the panel with an attorney who defends insurance agents from E&O claims and an expert witness in insurance agent liability lawsuits.”

The session was moderated by the Education Director for FAIA. The Expert Commentary session was given the highest ranking of all the sessions during the four-day conference.

Fallick’s practice areas include complex business and commercial litigation, coverage and broker liability disputes, and civil litigation.
