Haber Slade Senior Associate Lauren Fallick Joins Miami Chapter of Six Degrees Society as Ambassador

MIAMI (March 13, 2017) – Haber Slade Senior Associate Lauren Fallick has joined the new Miami chapter of Six Degrees Society as an ambassador. Six Degrees Society is primarily a women’s focused networking organization that takes the guesswork out of who attendees meet while networking. Every Six Degrees Society event gives each guest curated one-on-one “Matches” that are handpicked especially for them. Each person-to-person meeting lasts 15 minutes.

“This is a very unique and dynamic networking organization with a concept that has taken off,” said Fallick. Her practice areas include complex business and commercial litigation, insurance coverage and broker liability litigation, and civil litigation. Added Fallick, “Six Degrees Society’s mission is to establish lasting personal and professional relationships.”

Six Degrees Society was founded in 2014 by Emily Merrell in New York City. The organization has grown to eight chapters throughout the country, including Chicago, Los Angeles, San Francisco, New Orleans, Atlanta, DC, and Miami.

As a result of the success and growth of Six Degrees Society’s all-women’s networking events, the organization has begun hosting co-ed events utilizing the same platform of hand-picked matches.
